Start becoming an Internal Control professional today!

The ICI "Certification Series" of online courses

The ICI "Certification Series" has been completely updated and is available online to everyone around the world! Course content prepares individuals to design and/or assess internal control and to assist management in installing internal control processes. In addition, the series prepares candidates for the Certified Internal Control Specialist (CICS) Examination. To review the course catalog click

Control Quotes:

“Never regret anything that made you smile.”

Mark Twain.

About ICI

The Internal Control Institute™ (ICI) is a worldwide organization devoted exclusively to internal control and corporate governance. The Institute is dedicated to the development of world-class educational programs and best practice guidelines on internal control and corporate governance, based on the Sarbanes-Oxley Act and the COSO internal control framework.
